[Guest Testimonials](#)

This communication will be sent three to four times a year. MauiVision wants to share with our past guests special rates on select properties. Our repeat customer base and referrals keep us alive. Mahalo!

We have been in business since June 2002 and appreciate your continued support.

Remember, MauiVision is here to help with your Maui accommodations and we often times send complimentary gift baskets to our guests depending on their length of stay and always to repeat customers. We can arrange for a *custom* gift basket to be delivered to the condo per your request.

Please feel free to pass this information along to your friends and family who might be interested in a Maui vacation.
